The copy filmed here has been reproduced thanks to the generosity of:

Seminary of Quebec
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaires. Les diagrammes suivants illustrent la méthode.

AMERICANA

Catalogue of cheap and valuable second hand books on America
but specially on Canada, including many scarce, curious
and out-of-the-way americanas
on sale by

P. GAGNON

Box 17, St. Roch, Quebec, Canada

*Dealer in Old Books, Maps and Historical
curiosities.*

We have special facilities for obtaining scarce and out-of-the-way books on
Canada at reasonable prices and will upon demand complete sets of old can-
adian publications such as : *La revue Canadienne, Le foyer Canadien, Le
repertoire national, Les soirées canadiennes* and many others which list would
be too long to enumerate.

The usual *agenda, scarce, rare, curious* and the like will be dispensed with.
The condition of the books is not very often stated for brevity the most
part are well bound, all capital imperfections are mentioned. No books after
being purchased will be returned as a rule but would like to hear from com-
plainants and will do our best to give satisfaction.

Best way to remit is by P. O. Money order payable at St. Roch, Quebec.
Laval University Library (most complete collection of Canadian books in
the world), Quebec Parliament library, Quebec Litterary and Historical
Society library and any libraries in Quebec visited to verify and copy at
reasonable rates.

We also want to draw the attention of those it may concern on a collection
of Canadian books, printed in Canada from the beginning of the printing in
this country, or printed *else where* but relating to Canada, which is the most
complete private collection of this kind that we know in this country and
that we will sell in one lot at less than half the price that it would cost to
any body attempting to bring together such a collection which amounts to
between 4 to 5 thousands volumes and pamphlets. Large american libraries
who have not a well equipped canadian department of books, would have a
fine opportunity to procure themselves such a want.

A manuscript catalogue will be sent to any address upon the receipt of 25
dollars which will be returned when the catalogue comes back.

Cash must accompany orders, when sold full amount returned.
